

# TSUNAMI EMERGENCY APPEAL

The victims of the tsunami disaster need immediate help. Yet, when the international TV crews have gone home, the **local communities will need long-term support and funding** to rebuild their lives.

You can ensure this work is sustained over the coming months by supporting the local Christian communities and churches in South Asia who will play a vital role in rehabilitating those who have lost so much.

USPG has opened a Tsunami Emergency Appeal. The money will be used to respond to the local Church leaders' evaluations of the situation in their own communities. It will ensure that they can put in place a measured, effective and pastoral response to this catastrophe.

Please help to rebuild people's lives by making a donation to USPG's Tsunami Emergency Appeal now. Church collections will also be gratefully received. Thank you for your help.
